Thank you, everyone. I made a few small adjustments, mostly to Wednesday, since there was something strange going on with the timing of 404, 401 and lunch (times not consecutive) based on all the edits. I think I fixed it, but it resulted in the day ending 30 min later. Feel free to adjust further.

Hi Melissa and Christine, I've updated the agenda to reflect our discussion earlier today. I've also attached a draft announcement flyer and a list of hotels in the area (just in case).
